Subject: India event and REPORT

Greetings. FYI there will be a major 106-page report on India investment in the US released tonight at the Confederation of Indian Industries info-party **(5:30-7:30 p.m. in Room SVC 208-209 on the Senate side of the Capitol Visitor's Center)**. The study found that Indian companies with US operations employ more than 60,000 people across 40 states and the District of Columbia, and that they have saved 2,585 jobs from being eliminated by acquiring U.S. firms. Lots of other interesting data, about two dozen CEOs, the Indian Ambassador, a variety of congressmen, senators and staffers expected. Hope to see you there! Best Regards, John Anderson/Podesta and Jeff Birnbaum/BGR
